

### REMARKS

Applicants previously submitted three copies of the color drawings for Figures 5A-5B on April 28, 2004. However, Examiner Andres telephoned Applicants' representative on July 29, 2004, advising that only one copy of the submitted color drawings was found in the file. Examiner Andres requested Applicants to resubmit three copies of the color drawings, and to also submit a §1.312 amendment to the specification and a Petition to accept the color drawings.

In response, Applicants are providing herewith three copies of Figures 5A-5B in color.

Applicants have also amended the specification to identify drawings executed in color in accordance with 37 C.F.R. §1.84(b)(2) and to conform to changes made in the drawing labels of Figures 5A and 5B. A copy of the Petition to Accept Color Photographs and Drawings under 37 C.F.R. §1.84(b) is attached hereto. No new matter has been added by this amendment.

The Commissioner is hereby authorized to charge any fee which may be required by this paper to Deposit Account No. 19-1013/SSMP. A duplicate of this sheet is enclosed.

Respectfully submitted,
